## Rack Sale!

-for-

# LADDER RACK & RELAY RACK

Now thru Memorial Day – APWMayville's Ladder Rack and Relay Racks are ON SALE. Select components are IN STOCK and available for next day shipment.

## APWMayville's Ladder Rack System

APWMayville's Cabling Ladder Rack system allows easy location and identification of data pathways.

Constructed of heavy-duty 16-gauge steel, Ladder Rack provides convenient cable management directly to your computer room and easily attaches to your enclosure or Relay Rack. APWMayville's Ladder Rack is category 5 and 6 compliant and meets TIA-569A standards. Ladder Rack has a durable, non-corrosive powder coat finish.

### Features

- Available in 2 Lengths (6' and 10') and 4 Widths (6", 12", 18" and 24") for straight sections
- Multiple radius sections: inside vertical corner radius, outside vertical corner radius and flat corner radius
- Choose from 3 standard colors: Black, Gray or Yellow
- Multiple options are available, including: Wall Support Brackets (3), Ceiling Mount Brackets, J-Hooks, Relay Rack Connection Plate, Butt-Splices, T-Junction Kits, Foot Kits as well as many others

## APWMayville's Relay Rack System

Relay Racks (Modular Networking Frames) offer an economical solution to your rack-mount storage needs at a fraction of the cost of a fully enclosed cabinet.

Designed with APWMayville's renowned quality and stability, these racks are ideal for mounting electronic test equipment, patch panels, datacom and telecom equipment, and other cabling and rack-mount peripherals. Plus, an array of options and accessories can be ordered.

### Features

- Offered in 5 Heights (47", 66", 75", 84" and 96"), 1 Depth (11") and 2 Widths (19" EIA and 23" TIA rack-mount)—see reverse side for sale items
- Available in both 10-32 and 12-24 tapped mounting holes
- Heavy-duty aluminum extruded upright channels, and top angles are packaged in an easy-assembled unit
- Two base styles available: freestanding and bolt down
- UL listed
- Available in Black or Mill finish

With all APWMayville products and accessories you always get...

- Engineered with the installer in mind
- Lifetime product guarantee
- Hassle-free service every time
